Office of the Superintendent,
Government Stationery Depot,
Bangalore, dated 1st July 19

From

B. Puttaiya, Esq., B. A.,
Superintendent of Stationery, Bangalore.

To

R. Ranga Rao, Esq., B. A., B. L.,
General Secretary to Government, Bangalore.

Sir,

1) I have the honor to state that the Taluk Offices in the State are receiving their supplies of the marninally noted papers and Statione articles from the ---- Stationery Depot from the official year 1906-07 in accordance with Government Order No. G.2755-35/ .a. 312-04-9 dated the 25th November 1905.

1)	Blue laid foolscap
2)	Cream Wove " 10 lbs.
3)	" " " 8 "
4)	Blotting paper.
5)	Brown cartridge.
6)	Badami Demy.

2) In 1921 the system of a centralised supply of the Stationery articles was extended and in Government Order --- No. G.25009-19/ P & S. 28-20-37 dated 27th June 1921 the --- following articles of Stationery were ordered to be supplied to Taluk Offices from the Stationery Depot tentatively for one year (1926-27) in addition to those already ordered and the provision for fixed contingencies of the various Taluk offices was ordered to be reduced by one half in consequence of this supply.

1) Needles.
2) Bengal Twine.
3) White thread reels.

4) Sealing wax.
5) Steel nibs.
6) Holders.
7) Black ink powder.
8) Red ink powder.
9) Black lead pencils.

3) The supply of all these ~~additional~~ articles of Stationery has been ordered to be continued from year to year and the existing arrangement will be in force till the end of the official year 1927-28 as per Government Order No. G.2105-7-P. S. 4-25-154 dated 24th August 1926. The advantages of this centralised system of supply are being realised in the various Taluk Offices and during the course of my recent Inspections of the stock of Stationery and Forms of several Taluk Offices in the Bangalore, Shimoga and Chitaldrug Districts, I found that general satisfaction was expressed at the quality and quantity of the supplies received and suggestions were made to me that the time had now arrived when the system might be further extended and the supply of some other most useful periodical articles like Green-baize, penknife, scissors, inkstands and ink glasses might be arranged to be supplied from the Stationery Depot, as the present small contingent grant at the disposal of the Amildars was ---- insufficient for the purchase of these articles. I assured the Officers concerned that the question would be examined and ---- proposals would be submitted to Government for sanction. I am accordingly submitting the following proposals for favour of -- sanction of Government.

4) I beg to state that the supply of the above periodical articles from the Stationery Depot will conduce to decent ----- appearance of the equipment of the Taluk Offices and will also improve the efficiency of the work there.

5) The Amildar's complaint is that as Head of the Taluk he should have a decent supply of Office Stationery and keep a decent office table, that at present his table and his office stationery is on a par with that of his officials, that when

State Officers visit his Taluk on emergent work, he is not in a position to lend decent Stationery, Green baize etc., for their temporary camp-use and that the Chairmen of the Bench Courts who are in many cases housed in the same building as the Amildars are more decently provided with all office equipment in contrast with that of an Amildar and that for these reasons, the Amildars may be equitably treated in --- keeping with his status as Head of the whole Taluk. From my personal inspection of the offices of the Amildars and conversation with them, I am convinced that they have a genuine grievances and it struck me as incredible until I had seen and heard about it, that an Amildar's table has no green baize or ink stand or ink bottles. Many Amildars have the same old and broken things as their Munshis. I therefore think they deserve better and more decent equipment.

5) With a view to remedy this state of affairs, I beg to propose that the following periodical articles may be ordere to be issued to the Amildars in future. For the sake of - economy the period of supply may be limited to six years -- instead of three as in the case of the other offices of the State. A comparative statement showing the interval at -- which they are now being issued to other offices and the -- interval proposed for issue to Taluk Offices is given below.

Articles.	Interval of supply to offices in -- general.	Interval of supply proposed for Taluk offices.
1) Green baize.	Once in 4 years.	Once in six years.
2) Penknives.	Do.	
3) Scissors.	Do.	
4) Ink glasses.	Once in 5 years.	
5) Ink stands.	Once for all.	Once for all.

11

7) The cost that will be involved by the above proposals will be approximately Rs. 650/- which works out to about -- Rs. 110/- per annum which can be met from the current grants for the purchase of Stationery, involving no extra cost to Government.

8) Under these circumstances, I request that sanction may be kindly accorded to the supply of the above mentioned ----- periodical articles to all Taluk and Sub-Taluk Offices of the State from the Stationery Depot with effect from the year 1927-28.

I have the honor to be,

Sir,

Your most obedient servant,
